

Description:

The PC-Surround II features one patented 6.5 inch tri-laminate RPF® Flat-Piston/Kevlar/Fiberglass woofer, two 1 inch soft dome tweeters and two 4 inch polypropylene cone midranges. Not only are the RPF drivers capable of accelerating quickly to high acoustic levels while producing crystal-clear sound at any volume, they also generate a much larger dispersion pattern that inhibits “break-up modes”.

Switchable bipole and dipole modes allow for customizable home theater sound. With a depth of only 5.5”, the PC Surround II produces the surround audio from a low-profile on-wall position.

Also included is PhaseTech’s Absolute Phase® Crossovers to expand the “sweet spot” both vertically and horizontally.

Features:

- One 6.5 inch tri-laminate of RPF®, Kevlar and Fiberglass (Patent #4566178) woofer that matches the speed and accuracy of two 1 inch soft dome tweeters and two 4 inch polypropylene cone midranges
- Absolute Phase® Crossover networks ensure that the speaker drivers are acoustically and electronically “in phase” and moving in unison
- Black cloth or white cloth grille

Applications:

The PC-Surround II is designed for home theater and distributed audio applications. For a complete home theater system, pair the PC Surround II with the PC1.5, PC3.5 or PC33.5 and a PC Sub WL subwoofer.

Warranty Information:

The PC-Surround II comes with a limited ten (10) year warranty. Products not sold through an authorized dealer/distributor will not be supported by the factory warranty. Warranties are non-transferable.

PC-SURROUND II PRODUCT SPECIFICATIONS

NOMINAL IMPEDANCE	4Ω
SENSITIVITY dB @ 2.83V/1M	91 dB
FREQUENCY RESPONSE	55 Hz - 22 kHz
RECOMMENDED POWER	20 - 150 Watts
TWEETER	(2) 1" (25.4 mm) Patented Synthetic Soft Dome
MIDRANGE	(2) 4" Polypropylene
WOOFER	6.5" (165.1 mm) RPF® Flat-Piston Fiberglass & Kevlar Composite w/ NBR Surround
ENCLOSURE MATERIAL	Black High Gloss Finish or Satin White on MDF
ENCLOSURE TYPE	Sealed
INPUTS	Gold-Plated 5-Way Binding Posts
GRILLE	Black Cloth or White Cloth
COLOR OPTIONS	Black Gloss or Satin White
DIMENSIONS	15.25" (387.4 mm) H x 14.5" (368.3 mm) W x 5.25" (133.4 mm) D
WEIGHT	18.14 lbs
SHIPPING WEIGHT	41 lbs
INCLUDED ACCESSORIES	N/A
OPTIONAL ACCESSORIES	N/A
REGULATORY - CE	Approved
RoHS	Approved
