

Description:

The C-MM3-II is a raw frame 3-inch in-wall speaker that fits into a standard dual-gang box or mud ring.

Features:

- One 3 inch full-range polypropylene driver with butyl rubber surround
- Limited Lifetime Warranty
- Absolute Phase Crossover Network
- Auto-Reset Overload Protection
- Weatherized For Indoor/Outdoor Use
- Powder-Coated Aluminum Grilles in White and Almond

Applications:

Engineered for home theater or distributed audio applications where high-efficiency, added bass response and rapid installation are critical. The CI-MM3-II is ideal for any setting where full-range intelligibility and installation ease is paramount, such as kitchens, foyers, bathrooms, hallways and patio/pool areas.

Warranty Information:

The CI-MM3-II comes with a limited lifetime warranty. Products not sold through an authorized dealer/distributor will not be supported by the factory warranty. Warranties are non-transferable.
