

Description:

Featuring one patented 6.5" tri-laminate RPF Flat Piston/Kevlar/Fiberglass woofers, and a 1" soft dome tweeter, the PC60 CA reproduces precise and powerful sound.

The RPF drivers accelerate quickly to high acoustic levels while producing crystal-clear sound at any volume, while simultaneously producing a much larger dispersion pattern. The Absolute Phase® Crossovers expand the resulting "sweet spot" both vertically and horizontally while inhibiting "break up modes".

Features:

- One 6.5 inch tri-laminate of RPF®, Kevlar and Fiberglass (Patent #4566178) woofer that matches the speed and accuracy of the one 1 inch soft dome tweeter
- Absolute Phase® Crossover networks ensure that the speaker drivers are acoustically and electronically "in phase" and moving in unison
- Black cloth grille

Applications:

The PC60 CA is designed for home audio applications.

Warranty Information:

The PC60 CA comes with a limited ten (10) year warranty. Products not sold through an authorized dealer/distributor will not be supported by the factory warranty. Warranties are non-transferable.

PC60 CA PRODUCT SPECIFICATIONS

NOMINAL IMPEDANCE	4Ω
SENSITIVITY dB @ 2.83V/1M	88 dB
FREQUENCY RESPONSE	50 Hz - 22 kHz
RECOMMENDED POWER	20 - 150 Watts
TWEETER	1" (25.4 mm) Patented Synthetic Soft Dome
MIDRANGE	N/A
WOOFER	6.5" (165.1 mm) RPF® Flat-Piston Fiberglass & Kevlar Composite w/ NBR Surround
ENCLOSURE MATERIAL	Oak Veneer, Stained or Black Paint on MDF
ENCLOSURE TYPE	Sealed
INPUTS	Gold-Plated 5-Way Binding Posts
GRILLE	Black Cloth
COLOR OPTIONS	Stained Oak or Painted Satin Black Oak Veneer
DIMENSIONS	13.25" (336.6 mm) H x 8.625" (219.1 mm) W x 8.25" (209.6 mm) D
WEIGHT	16 lbs
SHIPPING WEIGHT	20 lbs
INCLUDED ACCESSORIES	N/A
OPTIONAL ACCESSORIES	N/A
REGULATORY - CE	Approved
RoHS	Approved
